Relaxation Starts Here.

Chances are, the last thing you think about is your air conditioning or heating system. You just expect to be comfortable. That's why Rheem is the best choice you can make. We simply offer a complete line of the finest heating and cooling solutions in the business. Top-quality products with the latest technology, dependable performance, great warranties and excellent service and support. All of this is why we confidently say, "Relax, It's Rheem."

The Whole Package

Features & Benefits:

- 1. Durable Cabinet.** Our galvanized steel cabinet protects your Rheem unit from the elements, helping reduce maintenance expense. Our slim design occupies less room in your yard and installs with a flush fit against your home.
- 2. Serviceability.** Service time and expense are kept to an absolute minimum. Four service panels provide your technician easy access to all internal components.
- 3. Fan-tastic.** Our motor mount prevents damage to your fan motor, extending its service life.
- 4. Protective Barrier.** Each unit features full-louvered protection of the sensitive condenser coil, which keeps damage caused by accidental contact to a minimum, and adds to the longevity of your unit.
- 5. Heart & Scroll.** The heart of your Package Heat Pump is the compressor. That's why every Rheem unit features a Scroll® Compressor – widely recognized as the industry standard for performance and durability.
- 6. Low Corrosion. Low Sound.** Special base rails elevate the bottom of the unit off the ground and away from corrosive condensation. The combination of the durable cabinet, large outdoor fan, scroll compressor and elevated base pan all contribute to quiet, dependable operation.
- 7. Green Inside and Out.** At Rheem, green is much more than the patented color of our products that blend in so well with landscapes. Our RQPM models comply with Energy Star efficiency requirements, making it a great choice for the energy-conscious homeowner.

Limited Warranty Information

All of our Rheem package units were developed with reliability and durability in mind. The Compliant Scroll® Compressor features an eight-year limited warranty on 13 SEER, single-phase models installed in residential applications. In addition, 14 SEER models feature a ten-year limited warranty on single-phase models installed in residential applications. The condenser and evaporator coils are warranted for five years against leaks caused by factory defects. Electric heating elements also have a five-year limited warranty. All other parts have a limited warranty of one year for one and three-phase models installed in commercial applications, and five years for single-phase models installed in residential applications.

Protection You Can Count On

While your Rheem equipment is incredibly reliable and covered by an outstanding warranty, you can extend your warranty coverage with Protection Plus® extended service protection. Then you can relax and enjoy the comfort of your Rheem Package Heat Pump – without worrying about the cost of parts or labor for unexpected repairs. And when Protection Plus is purchased in conjunction with your dealer's maintenance program, you can enjoy the peace of mind that your equipment will be both maintained and repaired – as needed and without additional expense. Ask your dealer about the variety of Protection Plus plans now available. For more information, call 1-877-276-4294 or visit www.protectionplusonline.com.

KwikComfort Financing

Ask your Rheem dealer about KwikComfort® Financing, the easy and convenient way to finance everything associated with your Rheem equipment – your original equipment, all subsequent service, Protection Plus® extended service protection, and even the comfort options you might choose to add later.
